

Compliance Policy

Active Silicon Ltd. operates in numerous markets and is aware of the needs of our stakeholders to display compliance with each applicable legislation.

However, as the range of products and the legislation applicable to them frequently changes, it is the policy of Active Silicon to provide, upon request, certificates or supporting evidence to display our compliance.

Frequently requested certificates or documents include:

- Conflict Minerals Reports (CMRT)
- CE Marking declarations for
 - The Restriction of Hazardous Substances Directive (RoHS)
 - Electromagnetic Compatibility (EMC)
- Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH)
- Persistent Organic Pollutants (POP)
- Per- and polyfluoroalkyl substances (PFAS)
- California Proposition 65 (Prop 65)
- Extended Producer Responsibility (EPR)
- Toxic Substances Control Act (TSCA)
- Letter of Volatility
- Export compliance

This list is non-exhaustive, and its applicability varies over time and across products.

Should your business need compliance information from ASL, please contact a member of our Quality and Compliance team at quality.manager@activesilicon.com.
