

Product End-of-Life Notice

Title:	Phoenix Frame Grabbers
Our reference:	EOL-AP06-0016-01
Date:	1 March 2023
For further information contact:	Email: sales@activesilicon.com Europe: +44 (0)1753 650600 USA: +1 410-696-7642

Introduction:	This notice is to announce the End-of-Life (EOL) of the Phoenix frame grabber product range originally introduced from 2000 to 2014.
Product(s) affected:	Active Silicon products affected by this EOL: All boards beginning AS-PHX-D... including: <ul style="list-style-type: none">• AS-PHX-D24CL-PC104P32-B(-xxx)• AS-PHX-D24CL-PE1(-xxx)• AS-PHX-D36-PE1(-xxx)• AS-PHX-D48CL-PE4(-xxx)• AS-PHX-D64CL-PE4(-xxx) <i>(where the optional '-xxx' indicates versions dedicated to specific customers)</i>
Reason for EOL:	This is an old product line and we are facing declining customer interest and obsolescence of components used in the manufacture of these boards.
Direct replacements:	None.
Suggested alternatives:	For Camera Link products there are possible replacements in the FireBird range, such as the AS-FBD-1XCLD-2PE4L-F and AS-FBD-1XCLD-2PE4. Please contact sales for detailed guidance on changing to these alternatives.
Last time buy:	We are offering a Last-Time-Buy (LTB) allowing customers to place final orders. The products listed above will no longer be for sale after this date. Last orders accepted 1 August 2023 subject to limited stock on most products. Although we will make every effort to fulfil LTB orders, the acceptance of these orders is subject to product availability. We encourage customers to contact Active Silicon to discuss their LTB requirements.
Last time delivery:	Last deliveries 1 January 2024 subject to order confirmation based on stock.
Notes:	-
